25 Queen St, Newtown

Queen Street Colonial

This stunning family home has had a renovation and is looking for her new owner.

Situated on a 1012sqm block in the heart of Newtown, being walking distance to Coles Silkstone and a short distance to schools and transport, this home is perfectly located for convenience.

The 4 bay garage will house the family cars and boat, trailer or jet ski's. Behind the shed is plenty of room for kids play sets, a swimming pool or a granny flat (STCA)

Walking through the front door you will notice the varnished doors, skirtings and door frames throughout the property, the coloured glass and the breezeway panels above doors. All with the aim of retaining features of the near 100 years young of the home. With beautiful polished floors throughout, this is certainly an easy living house.

A typical colonial layout with 3 great sized bedrooms, 2 at the front and 1 off the lounge. The lounge room is spacious and adjoins the kitchen and dining room with easy access to the side verandah and back yard.

A separate dining room is light and bright and offers french door access to the outside.

The kitchen is a great sized room with plenty of cupboard and bench space with separate electric oven and stove and offers plenty of room to move. No problem fitting any sized fridge in this kitchen.
