RUN!! Don't Walk

This fantastic original home is being offered to the market.

If you are looking for an original home - don't look any further.

Step up to the front verandah from the new steps and you will find one of the lovely spots to sit on this property. Walk in and you are greeted with a large lounge and dining room and polished timber floors which are in very good condition. This area also has a near new split system air conditioner and fan.

The retro kitchen is in great condition and has plenty of bench and cupboard space and has a new stove recently installed. Side door also allows the breeze to flow through.

The master bedroom is massive and begs for built in robes or perhaps an ensuite?? There is certainly room for it.

The second and third bedroom are also a reasonable size with a built in already in both bedrooms

A separate bath and shower feature in the bathroom, a new vanity installed and with a separate toilet off the laundry.

A great sized block at 991sqm gives space to spread out. The gazebo at the back is a great place to entertain and watch the birds. A lock up garage and carport will certainly look after the vehicles or perhaps knock them down and put a great sized shed up the back.
